## **Important hints, read before beginning assembly.**

1. Not for children under 6 years. Adult assembly required.
2. Please ensure you have the name of the item and hardware part required and quantity.
3. Read each step carefully. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
4. Work in a spacious level area, preferably carpet, near the place the unit will be used.
5. Do not use power tools to assemble your furniture, it will strip and damage parts.
6. Please contact us by mail, if you have any questions, and we will reply you ASAP.

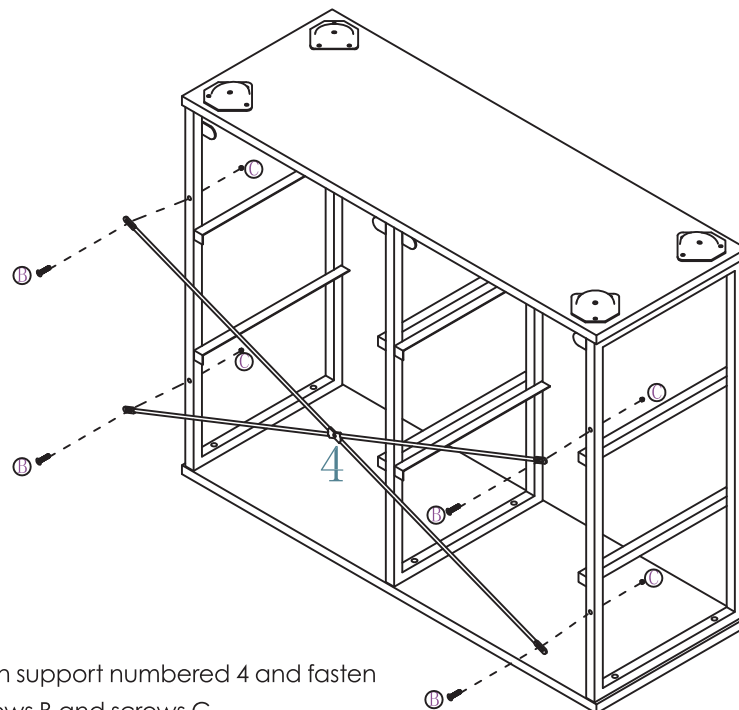

**Let's get started**

## STEP 1

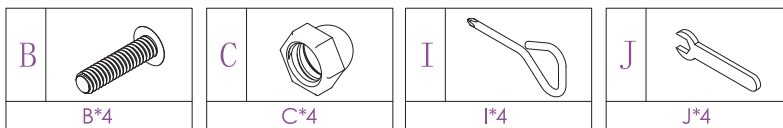

1. Take out the board numbered 6 and place it on the ground with the side where the screw hole is located facing up.
2. Take out the iron frames 1,2,3, and connect them with the board 6 by screws A, respectively. Please note the position of the guide rail at this time. Make the metal stopper face down and towards the inside, and the guide rail of the iron frames 1,3 face inward and point to the iron frame 2. Please confirm the iron frames are installed properly before tightening the screws.
3. Take out the board 5, and connect it with the iron frames by screws A.

## STEP 2

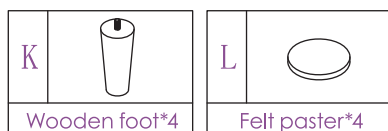

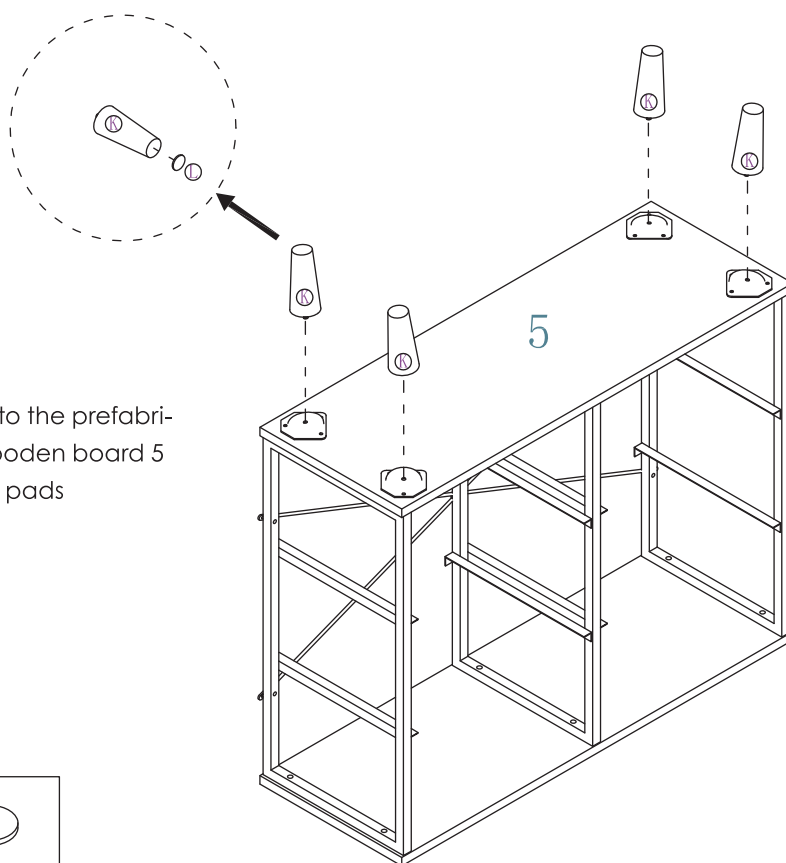

1. Take out the fastening iron support numbered 4 and fasten it on the iron frames by screws B and screws C

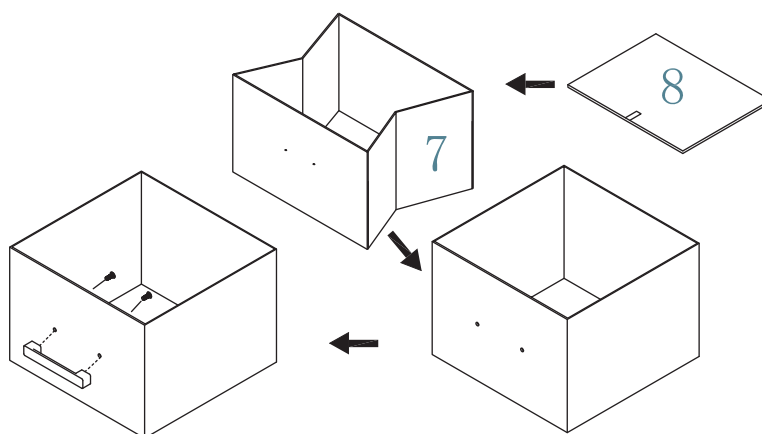

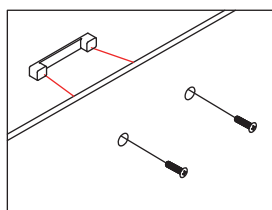

## STEP 3

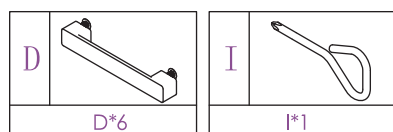

1. Screw the wooden feet into the prefabricated screw holes of the wooden board 5 and attach the anti-scratch pads

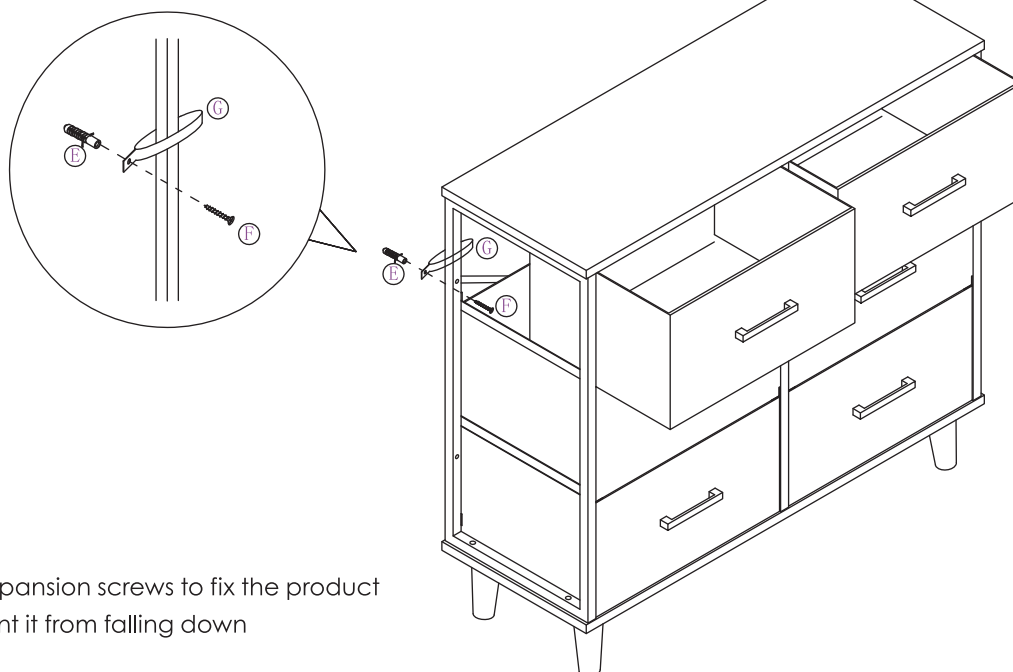

## STEP 4

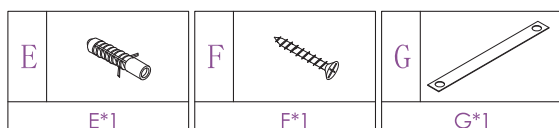

1. Pull open the drawer, insert the bottom plate 8 into the drawer, and then install the handle

## STEP 5

1. Install expansion screws to fix the product and prevent it from falling down

## CARRY OUT

## **Product Care and Maintenance**

1. Wipe clean with a soft or slightly damp cloth, never use chemicals or cleaning products they will damage the product.
2. Avoid placing your furniture in direct sunlight, as sunlight causes fading.
3. Never push, drag or pull the dresser, to move to a new location carefully with two or more people carry the unit to its new location.
4. Avoid extreme changes in temperature by arranging furniture away from radiators, heat and air vents, and air conditioning units.

## **Warranty & Customer Support**

1. 12 months warranty.
2. If you need any assistance or have any questions, please contact our store and we will reply within 24 hours. Please leave your order number and details of your question, so we can help you solve the issue as soon as possible.

**Enjoy & Thank you for purchasing from Nicehill !**
